11. Administration of Association. An owner of a Unit, on becoming the owner of a Unit, shall automatically be a member of the Burton Flats Condominium Owners Association, which shall be initially organized as a nonprofit corporation under the laws of the State of Wyoming (the "Association"), and each Unit owner shall remain a member of the Association until such time as ownership ceases for any reason, at which time membership in the Association shall automatically cease. All agreements and determinations made by the Association in accordance with the voting percentages established in this Declaration and the Association's Bylaws, which is incorporated herein by reference, shall be deemed to be binding on all owners, tenants, and occupants of individual Units, their successors and assigns.

12. Contribution to Common Expenses -Assessment of Dues. The Association shall meet at least annually, and at such other times as may be convenient, and among other business that may come before it, it shall establish for each calendar year:

Costs for all General Common Areas, Storage Units and Health Club, including landscaping, snow removal, cleaning, maintenance, repair, replacement, improvements and the like of all areas commonly used by all twenty-one (21) Units, and any additional units as may be established under paragraph 3.F., above. The use of the Building and adjacent access, in accord with the Association's budget therefore, including specific dates that a proportionate share of such costs is due and payable by each Unit. Costs for General Common Areas, Storage Units and Health Club shall not include each cost for the repair and maintenance of the mechanical, plumbing and electrical located within the Unit which shall be the responsibility of the individual Unit owner.
- C. Annual or other periodic assessment for payment/contribution of each Unit owner toward common expenses, including common area taxes, property and liability insurance and future maintenance, alterations or improvements, or reserved therefore.
- D. Determine the amount, premium cost and carrier of insurance coverage for casualty loss to any or all of all General Common Area, Storage Units and Health Club.
- E. Determine and act upon the need for rules, regulations and the like to govern the use of the condominiums and common areas.
- F. Election of officers and the Board, as set forth in the Bylaws; and
- G. Such other matters as may be necessary or convenient for the Association to consider.

The Association shall assess all twenty-one (21) Units, and any additional units as may be established under paragraph 3.F., for the common costs

of all General Common Areas, Storage Units and Health Club including property tax, insurance, maintenance, repairs, cleaning and improvement of the General Common Areas, Storage Units and Health Club used by the residential units. The Association shall have the power to impose and enforce liens against each Unit for unpaid assessments.

All Units shall be equally assessed.

The initial assessment to be imposed upon Unit Owners will be for taxes, insurance, maintenance and repairs for the Building, General Common Area, Storage Units and Health Club. Assessments are not permanently set but the budget is anticipated to require a per-Unit assessment of approximately \$250.00 per month per Unit for the first year until actual costs are confirmed, or in such other amount as the Association deems necessary thereafter to pay common area charges, which will include but not be limited to: maintenance and care used by the Units, respectively, and for all Units for snow removal, insurance, real estate taxes, common utilities, general maintenance/repairs/reserves, and the other costs for the General Common Area, Storage Units and Health Club. Payment of monthly assessments shall be paid in such increments (monthly, quarterly, semi-annually or annually) as the Association may, from time to time, determine appropriate and shall be automatically deposited into the Association's designated operating account. The monthly assessment to be imposed upon the Owners of each Unit shall commence after the first Unit has been sold.

No owner of a Unit may exempt such owner from liability for contribution toward the common expenses by waiver of the use or enjoyment of any of the common areas and facilities or by the abandonment of the Unit.

13. Assessment Liens. All sums assessed by the Association but unpaid for the common expenses chargeable to any Unit shall constitute a lien on such Unit prior to all other liens except only: (i) tax liens on the Unit in favor of any assessing Unit and special district; and (ii) all sums unpaid on the first mortgage of record, to which this lien right is subordinated. Such lien may be foreclosed by suit by the Directors of the Association, acting on behalf of the owners of the Units, in like manner as a mortgagee of real property. The plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect rent, if any. The officers, acting on behalf of the owners of the Units, shall have power to bid on the Unit at foreclosure sale, and to acquire and hold, lease, mortgage, and convey the Unit. Suit to recover a money Judgment for

unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the unpaid expenses. The Unit owner in arrears or named in such action shall be liable for and pay all of the Association's attorney fees and costs, with or without the necessity of filing suit.

14. Assessments; Liability of Mortgagee. Where the mortgagee of a first mortgage of record or other purchaser of a Unit obtains a title to the Unit as a result of foreclosure of the first mortgage, such acquirer of title, and successors and assigns, shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Unit that became due prior to the acquisition of the Unit by the acquirer. Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from owners of all of the Units, including the acquirer, and successors and assigns.

15. Assessments; Liability of Subsequent Grantee. In any voluntary or involuntary conveyance of a Unit, not described in 14., above, the Grantee or Grantees of the Unit shall be jointly and severally liable for all unpaid assessments by the Association against the Unit for the Unit's share of the common expenses up to the time of the grant or conveyance. Any such Grantee shall be entitled to a statement from the officers of the Association, setting forth the amount of the unpaid assessments against the Unit to the Association.

16. Property Insurance. The Association shall obtain and continue in effect property insurance on all General Common Areas, Storage Units and Health Club in forms and amounts (1) satisfactory to mortgagees holding first mortgages covering Units but without prejudice to the right of the owner of a Unit to obtain individual Unit insurance, or (2) in such amounts and in such forms as required by the Association, or (3) the maximum insurable amount pursuant to the company affording the coverage. Insurance premiums for any common area insurance coverage shall be a common expense to be paid by assessments levied by the Association, and such payments shall be held in a reserve fund of the Association and used solely for the payment of the blanket property insurance premiums as such premiums become due.

17. Revocation or Amendment of Declaration.
The Declarations may be amended, altered or revoked upon the written approval of Seventy-Five Percent (75%) of the owners of the Condo Units. Each Condo Unit shall be considered to have one owner for the purposes of this paragraph.

This Declaration is made effective the 19th day of NOVEMBER, 2020.
